We know it's not traditional.
We know it's just not done.
Our home is full of stuff already.
So we'd just love to relax in the sun.

Please know we will enjoy your company on our special day, and we don't need a gift, but if you really must then something towards our honeymoon would be lovely.

The nearest overground station is Highams Park, where a taxi or the W16 bus will get you to the church on time.
